September 2, 1964

TITLES I AND IV, PUBLIC LAW 480: TOTAL AMOUNTS PROGRAMED AND SHIPPED THROUGH JUNE 30, 1964, AND SHIPMENTS BY 6-MONTH PERIODS, FROM JULY 1, 1962, THROUGH JUNE 30, 1964, FOR TITLE I AND FROM JULY 1, 1961 THROUGH JUNE 30, 1964 FOR TITLE IV, BY COUNTRY AND COMMODITY.

This report shows total amount programed by commodity for each country, under Food for Peace agreements signed through June 30, 1964, for the sale of U.S. agricultural commodities for foreign currency under Title I, Public Law 480, and total quantity and estimated market value of shipments for the period January 1, 1955, through June 30, 1964, and by 6-month periods from July 1, 1962 through June 30, 1964. Data for prior fiscal years by 6-month periods are shown in SDS-7-61 and SDS-11-63.

This report also shows the total amount programed by commodity for each country, under Food for Peace agreements signed through June 30, 1964, for the sale of U.S. agricultural commodities for long term credit under Title IV, Public Law 480, and total quantity and estimated market value of shipments for the period July 1, 1961 through June 30, 1964, and by 6-month periods for fiscal years 1962 through 1964.

The amount programed is the amount specified in the agreement, exclusive of ocean transportation, as modified by purchase authorization transactions. The quantity shipped is based on tonnage shown on ocean bills of lading. The value is estimated export market value, basis U.S. port of export. Estimates are revised to reflect actual amounts financed by CCC when this information is obtained for completed purchase authorizations. These revisions account for most differences from amounts shown on previous reports.
